* Note.—No accurate statistical approximation can be given to the Number of Tenants and Sub-Tenants finally turned out of their holdings. But it is to be remembered that this approximation must be necessarily in excess of the number permanently evicted, even this table merely shows the number of Tenants and Sub-Tenants turned out of their holdings, and not re-admitted on the same day, without giving any indication as to the number of those who may or may not afterwards be re-admitted as Tenants, Sub-Tenants, or Caretakers.

TABLE II.—NUMBER of Tenants whose Tenancy has been determined (1) under Section 7 of the Land Law Act of 1887 (i.e., those who, having received an Ejectment Notice, have been converted into Cretakers), and (2) of Tenants and Sub-Tenants whose Tenancy has been determined under other processes of law at the suit of the Landlord, for the Quarter ended 31st December, 1900.

COUNTY.	(1) Number of Tenants converted into Cottagers by means of Ejectment Notice under Section 7 of the Land Law Act, 1887.		(2) Number of Tenants and Sub-Tenants whose Tenancy has been determined under other processes of Law at the suit of the Landlord, showing also the number of re- admission in those cases as Tenants, Sub-Tenants, or Cottagers on the day of Ejection.

NOTE 1.—It should be noted that the number of re-admissions given in Column 2 only include cases where the re-admission occurred on the day of eviction, and no indication can be given of the number who may afterwards be re-admitted.

NOTE 2.—The figures given in Column (1) have been obtained from the Superior Courts and from the Clerks of the Peace, and it is not possible to furnish statement of re-admissions which would approach accuracy as to the number of Sub-Tenants who may be allowed by the Ejectment Notice upon Tenants.

TABLE III.—RETURN of the Number of EVICTIONS (i.e., Tenants and Sub-Tenants turned out of their Holdings), not at the suit of the Landlord, for Debt, Foreclosure of Mortgage, &c., in the Quarter ended 31st December, 1900.
